1. This pattern is provided as a courtesy to quilt stores, catalogs, and quilters. Michael Miller Fabrics, LLC is NOT responsible for the accuracy of any kits packaged to accompany this pattern. Please direct any inquiries to the kit maker.
2. Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.
3. While every attempt has been made to give accurate measurements, yardage requirements and construction directions, this does not allow for personal variations in measuring, cutting and/or sewing. The enclosed directions were used in the construction of the original quilt.

1. Cut border stripe from both sides of CX3132. Trim stripe to 2 1/4" wide, centering the motif in the width of the strip. Or cut 4 strips of other fabric 2 1/4" x width of fabric.
2. Cut 3 rows of bunny motifs from CX3132. Place the 1/4" mark of a ruler on the edge of the blue and cut 1/4" seam allowance on all 4 sides. These bunny pieces will be 7" wide x 6 3/4" high, but may need to be steamed so they are not crooked.
3. From each of the Krystal colors, cut 2 rectangles 7" x 6 3/4".
4. Following the photo of the quilt, lay out the bunnies and Krystal colors 5 units across and 5 units down. Stitch the units together across in rows, then stitch the rows together. Press seam allowance toward the Krystals.
5. Cut border stripes in half and attach to all 4 sides of the quilt, mitering at the corners.
6. From CX2956 Go Bunny Go, cut 2 strips 5 1/2" x width of fabric. Trim to 36 1/2". Cut 2 strips LENGTHWISE of fabric 5 1/2" wide. If you want the same design in these strips, center the ruler over them. Trim lengthwise strips to 35 1/4" and stitch to the sides of the quilt.
7. From CX2957 Bunny Travel, cut 1 strip 5 1/2" x width of fabric and cross-cut 4 squares. Stitch squares to each end of the 36 1/2" Coordinate 1 strips. Stitch these strips to the top and bottom of the quilt.
8. Layer, quilt and bind. Piece the remaining fabrics together for a back or use the additional purchased length. Cut binding strips 2 1/2" from CX2957 Bunny Travel.
